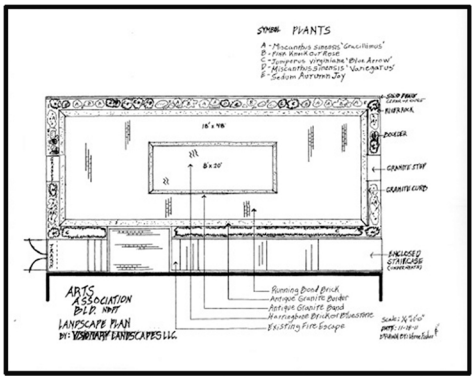
# adopt a brick today!



The Newburyport Art Association is pleased to announce its plan to create a beautiful and multi-use courtyard in the space just behind its historic 1795 brick building. The courtyard will support the NAA's efforts to provide stimulating programming and bring new audiences to its site, as well as, complement Newburyport's overall efforts to enhance tourism and economic development in the surrounding community. The courtyard will serve as a symbol of the NAA's efforts and commitment to build community through the arts.
